Supplier Excellence Award

TE Connectivity would like to express gratitude to ZEIBINA Kunststoff-Technik GmbH for their exceptional collaboration demonstrated throughout this year. In the face of a demanding automotive project, ZEIBINA Kunststoff-Technik GmbH has consistently supported us. Despite a tight timeline for project implementation, they ensured the seamless operation of our supply chains. This steadfast commitment to excellence has truly strengthened our partnership and contributed significantly to the project's success.

Thank you very much. We look forward to continuing our excellent cooperation in the coming years.

Yours sincerely,

Daniel Schwarz
Strategic Sourcing Manager - EMEA
